Subject: PINS ref: APP/X6910/A/16/3154384 - Land between B4256 & Charles Street / Tir rhwng B4256 a Stryd Charles, Wauntysswg Farm / Fferm Wauntyswg, Abertysswg, Rhymney / Abertyswg, Rhymni

Importance: High

Further to our discussions yesterday, I have been advised by my Landscape colleague that the updated LVA would be in the form of an addendum and take approximately 2 weeks. As the Heritage report has already been updated once since the submission of the application it will be in the form of a revised complete report rather than an addendum. To check and update the report further will also take approximately 2 weeks. I hope that this answers the queries the Inspector has regarding the report forms and timings.

Regards

Gareth
